Interview with Bill Nowlin.

GA
will you ever get
married again?

BILL
fuck no! Those stupid
cunts!

GA
did you ever fuck 2
girls at the same time?

BILL
more than fucking once.

GA
do you think cocaine
is good for 3 year olds?

BILL
no, the little bastards
should leave it all for
me.

GA
do you like knocking up
women and then leaving
town?

BILL
I'm sure I have, but I
don't want to fucking
know about it.

GA
do you like eating
saltpeter?

BILL
No I don't.. they feed
you that shit in jail
so you don't fuck the
guy next door.

Bob and Cindy were lovers.
She had a hairy twat.
He had a big candy cane.
She would rub it with syrup.
He would eat her little turtle-dove.
They went jogging together and
they both loved witnessing bowel
movements. Thy art humping.

They had a child.
They named him Duke.
He had typhoid.
They gave him up for adoption.
They fell in love with each other
again. They had destroyed the spark,
but now it was back. It was better
than ever, I mean, it was hot.
They had hot sex.

They danced at funerals.
They had a private prom.
She loved his bongo.
He loved her hairy big foot.
They made love in a public bathroom.
At the book store and at a rap concert.
He licked her possum.
He could play with it like a video game.
Then he would fuck it for an hour and
fry green beans and listen to the radio.
That's what he found interesting.

my first time.

I was fifteen.
I met a girl who had hypothermia.
I let her wear my shirt.
she took my peter out of my shorts
and started putting fertilizer
on it and strokeing it.
I put it in her crack and started
rocken the casbah.
I took her to the "makeing of Sid & Nancy"
it was playing across from her tent.

my second time

I met a girl who was laying on the
sidewalk haveing convulsions.
I slipped my dong into her fuck box,
and started rocking it like there was
no tomorrow.
I could tell she was loven it, cause
she was singing "Gin & Juice" by Snoop
dog.

my third time

I was getting ready to light a gay
nightclub on fire when I saw a sweet
looken lady looken my way with a vile
of cocaine in her hand.

I went over to her, and we went to a
motel. I slipped my pork into her
pudding and rocked that hairy mother
fucker. That was some good hymen.

Bill's first tiMe

He was seven and a $\frac{1}{2}$

He was walking his three
legged mut and he met a
lovely little girl.

He fucked her in the weeds.
She was screaming and haveing
a real good time.
Bill farted while he was fucking
her and she started crying.

Walt's first tiMe

Walt was 32.
He met a girl in the women's
bathroom in the Ventura city
park and raped her at gun point.
He said it was some good fucken.

Denny's first time

Denny was 13.
He already had a beard.
He fucked a librarian in the
back of a porno theatre.
He said she had a sloppy gobbler.

Sparky's first time

"I was in the army and I was 25.
I had a big black meat stick.
I was looken for some white
gobbler one night and I met this
jap bitch who looked like an egg
fart in a grave. She was looken
my way. She wanted black shaft.
I went up to the ugly jap bitch
and bought her a drink. We smoked
on the patio together. I had the
feelen she had a perfect ass. I could
tell once I started rappen with the
bitch. She started rubbing my po-po
through my army gear and it got hard
like a beer bottle.
I took her in the bathroom and hammered
~~that hamburger meat~~ that hamburger meat.
it was soft like a booger and warm like
a heater. It was some good shit. I was
wrong about her ass though. It was no
where near perfect. In fact, it was dumpy."

*written by Elmore Sparks

Taffy's first time

she was 11.
~~her parents threw her out of~~
her parents threw her out of
the house. She needed money so
she sold some pussy to a farmer.

mucus chef

I ordered a pig's foot
and they gave me a carrot.
I sent it back and they
brought me the right order.

I had to use the john after
eating,so i excused myself
and started walking towards
the shit room to drop plop.

I saw the chef.
He said,"Hi,I've ~~gotta~~ got a shit
load of mucus today,how was the
food?"

I said,"it was great man!"
I went about my day,I guess
he did the same.

A sex story for the whole Family

Ginger was a beauty.
She wore homemade dresses.
She went out everynight to
do the "pick up" thing.

She wore perfume from Italy.
She met a man named Dusty.
He was short but handsome.
The word around town was that
he was rich. Him and Ginger danced
through the night like skeletons.
They went back to his place and
had white wine and butter.
He took his clothes off and showed
her his pogo stick and oranges.
She liked what she saw.
She jumped on it and moved up and
down really fast. Then she took out
a dildo and put it in her puss.
Dusty watched and did jumping jacks.
Then he went home.

They hung by the movie theatre and
played football.

He told his friends, "My mom wants
me to go to bible camp."
His friends laughed at him.
He pulled out a gun & shot them
all to death.

affair

She walked slow into the apartment.
She was a honky who liked a good taco.
She did a ton of blow.
He liked grass.
He dug the 60's.

She was married to a farmer with
one leg and a bad alcohol addiction.
He gave her some nice kissen and
she gave him a tit fuck while they
listened to NIRVANA.

He put a robe on and swam a lap in
the pool, then he made bread and butter.
She worked on her poems and watched
fishing on TV.

Then they did some good fucking.
She called her husband and he came
and picked her up.

I went to see Walt.
He was trying to sell
a shark's tooth that he
said was 500 billion years
old. He was gonna give it to
his boss.

He told me that he wants a

don't really remember. He said

He moved back in with his brother.
His brother is a snake collector.

like a wild mule.

He took her to a Bob Dylan concert
after he wrecked her twat.
She said, "I need you." he said, "like wise."

They held hands during the concert and
kissed like water dogs without leashes.

Time Goose

An old woman was out for a jog.
She saw a young man kissing a

The old woman was getting sick to her
fucking stomach. She pulled out a pen
and stabbed the young man in the neck.
He started crying and farting.

The old woman picked up the dead goose
and told it the time. The correct time.

She took the goose home and flushed it
down the toilet. She had to have the toilet
